

“WHY MUST ANY COMPLETE EDUCATION INCLUDE THE STUDY OF MUSIC?”

Research has shown that a student's involvement in their school music program is crucial to a complete education. Musical study, develops critical thinking and self-discipline skills, improves a child's early cognitive development, basic math and reading abilities, self-esteem, SAT scores, ability to work in teams, spatial reasoning skills, and school attendance. Also, researchers have found that children involved with music education are more likely to graduate from high school and attend college, and are less likely to be involved with gangs and substance abuse.

Blythewood High School Band Boosters

Creating Excellence through Performance

SPONSORSHIP PACKAGE 2007

Who we are...

The Blythewood Band Boosters is a not-for-profit organization that provides logistical and financial support for the band program at Blythewood High School.

The vision of Glen Funderburk, Director of Bands, is to develop a comprehensive band program that provides performance opportunities in the areas of Marching Band, Symphonic Band, Jazz Band, and Winter Guard.

The Blythewood band program is in its third year having earned superior ratings and finishing 6th in the state finals for Marching band last season. Our Marching Band will move up a class this year to compete in Class AAAA against some . Our Symphonic and Concert bands, Jazz Band, Chamber Ensembles, and Winter Guard will travel to give performances and compete both in South Carolina and throughout the southeast.

The Band Staff, Band Boosters, and all our student musicians are committed to excellence in all that we do. We fully intend that the Blythewood Band program will create a tradition that will make the Blythewood community proud and instill Bengal pride in all who support it.

The Blythewood High Band participates in local events, including the Blythewood Christmas Parade, as well as performing regular concerts for the school and community.
